 SAGURAMO

FINNISH INTERNATIONAL SCHOOL

The Finnish International School is the only English language school licensed by the Ministry of Education of Finland and Georgia. World Leading Finnish Educational Model is the only school in Caucasus region operating 5 years now. The school has a 100% Finnish curriculum. Studies are conducted in English through I -VI grades.

Official Partner of Finnish International School is EduCluster Finland Oy. It has been year's organization works in the Educational system in Finland as well as aimed developing the Finnish educational model worldwide through international partner. Our school teachers are continually trained by the experts and specialists of Edu Cluster Finland Oy.

FINNISH EDUCATIONAL MODEL

- Children attend school to prepare for life - not for the exams.
- Teachers have developed individual approaches for teaching and student assessment.
- There is a holistic, multidisciplinary environment created that focuses on the development of each student's academic skills as well as their social and emotional state.
- The Finnish educational model aims the development of skills for the practical application of knowledge.
- We believe that students learn more effectively through teamwork, practical projects and observation.
- Information technologies are also inseparable part in daily learning, since our goal is to prepare students for the tomorrow's world and innovations.

KEY FEATURES OF THE FINNISH INTERNATIONAL SCHOOL - GEORGIA:

- 100% Finnish curriculum delivered in English, with a strong emphasis on both scientific discovery and cultural understanding.
- The unique multilingual and multi-cultural ethos specific to the Finnish education model.
- A strong focus on developing individuals who are capable of meeting the requirements and challenges of the 21st century.
- Preparation for higher education across Europe.
- An individualized approach to each pupil and Strong individual support and thoroughly differentiated classroom learning.
